Reviews

Basically no phrases to describe. I was able to comprehend everything out of this published e ebook. You can expect to like the way the author compose this ebook.

(Mrs. Novella Will)

MEET YOUR MATCH (PAPERBACK)

Snowflake Press, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. An ice queen with no patience for love. The school playboy trying to save face. Can a crazy set of rules keep these two safely in the friend zone? Sixteen-year-old Brooke Pierce is convinced that all boys are trouble. After watching her dad break up the family for a woman half his age, dating is the last thing on her mind. Too bad she has a knack for setting people up. Her dream has always been to work for Toujour, a professional matchmaking firm in Los Angeles, but now she's uncertain about the whole concept of love. Luke is the popular school playboy with a well-earned reputation for heartbreak. He's never met a girl who doesn't want him-until he flirts with Brooke and she turns him down in front of everyone. Desperate to save face, Luke pursues her, determined to win a date at all costs. After a shocking revelation from her dad, Brooke and Luke form an unexpected bond. But Brooke is terrified of romance, so she creates a crazy list of rules to keep them safely in the friend zone. The problem is, that's the worst place to be when you're falling in love. This is a sweet/clean contemporary romantic comedy prequel novella that will delight readers who love Hallmark movies. Each book in this series by USA Today bestselling author Lindzee Armstrong can be read as a stand-alone. Read everything by USA Today bestselling author Lindzee Armstrong!
